

SECRET SOCIETY RENUNCIATION PRAYER

NOTE: *This is a guide. As Holy Spirit leads you to repent and renounce other things, do so earnestly. Out From Among Them Ministries suggests coupling this with the Freemasonry and OES deliverance prayers since all BGLOs derive their rituals from freemasonry.*

Father GOD, I come to You humbly, acknowledging Your authority and power, and honoring You as Creator of heaven and earth. I confess I have operated in idolatry and chose to follow Satan instead of You and Your Word, by joining a secret society or attempting to join. I confess and repent of my sin of idolatry, and mixing the holy with the profane. I repent for taking Your name in vain, and the blasphemy attached to being part of a secret society. In the name and power of Jesus Christ alone, I repent and renounce all ungodly covenants and association with Freemasonry, Shriners, OES, Illuminati, lodges, crafts, fraternities, sororities, and any other secret/occult groups pledged/joined by myself and/or family.

In the name of Jesus Christ, I repent and renounce the satanism and witchcraft to which I opened myself up to. I renounce the spirits of Baal, Baphomet, Osiris, Isis, Horus, Set, Minerva/Athena, Apollo/Apollo, Anubis, Bastet, Themis/Atlas, _____ (add in any other names of false gods/goddess Holy Spirit tells you). I renounce the spirit of antichrist, spirit of death, and ALL ungodly powers that rule over these organizations.

I repent and renounce rejection, insecurity and lack of identity in Jesus Christ. I repent and renounce the love of position and power; the love of acceptance, the love of money, the lust of the flesh, the lust of the eyes, and the pride of life that lead people into these demonic organizations. I repent and renounce all fear and intimidation released into participants of these organizations through hazing (*mental and physical*). I repent for harming, intimidating, or retaliating against others.

Through the power of Jesus Christ, I repent and renounce all soul ties attached to the people that came from joining these organizations. I pray all false relationships and friendships You did not ordain for my life, to cease. I renounce the fear of being alone, fear of man, and the fear of fully trusting in GOD, in the name of Jesus Christ.

I repent and renounce all anxiety, depression, oppression, obsession, emotional damage, confusion, fear of the dark, fear of the light, and fear of sudden noises, etc. I renounce being attacked while sleeping, nightmares, and incubus and succubus spirits. I renounce the blinding of spiritual truth, the darkening of the soul, and false imaginations. I repent and renounce emotional hardness, apathy, indifference, unbelief, bitterness, and anger in Jesus' name.

I repent and renounce the spiritual wedding that took place which married me to the organization. I repent and renounce every ritual, prayer and hymn I said, sung, and agreed to, which created a demonic covenant. I repent and renounce the false light mentioned in rituals, which represents Lucifer/Satan. I repent and renounce the worship of the organization instilled in me through initiation. I renounce the spirit of Python wanting to squeeze the spiritual life out of me, and prevent me from following The True and Living GOD only. I renounce all ancient pagan teachings from Babylon and Egypt, and the symbolism attached to secret societies. I renounce the mixing and mingling of truth and error. I acknowledge and repent accepting the mythology, fabrication, and lies taught as truth through these organizations. I repent and renounce every position held in these organizations by me, or anyone in my family. I repent and renounce for calling or thinking of another as a "master," or any other similar title that is idolatrous to GOD.

I repent and renounce for taking Your Word in vain. I repent and renounce vain traditions of men that make The Word of God of no affect, by accepting initiation and rituals as truth. I repent and renounce for accepting and reciting twisted versions of God's Holy Word made to fit the organization. I repent for swearing an oath to the organization, and laying my hand on The Holy Bible while pledging myself to the organization. I repent and renounce the curse of all hand signs, calls, secret passwords, handshakes, etc., attached to the organization.

I repent and renounce ALL forms of false and ancient religions such as: polytheism, ancestral worship, philosophy, esotericism, astrology, astronomy, divination, voodoo/vodun/hoodoo, Wicca, Satanism, New Age, Jainism, Buddhism, Islam, Hinduism, Mormonism, Catholicism, Gnosticism, and ALL other demonic entities these secret organizations draw power and strength from. I confess there is ONLY ONE GOD...Elohim, The Great I Am, YHWH...Who ALONE is worthy of ALL worship and praise. ONLY through Jesus Christ, Son of The Living GOD, The Passover Lamb, can one access The Father and obtain remission of sins, freedom, and redemption. Therefore, I start anew today by giving my life and every part of myself back to You Jesus. I thank You Lord that all vows, obligations, oaths, penalties, and curses enacted or pronounced against my life and body are severed, removed, ended, and healed through the mighty power of Jesus. I thank You Father GOD, for Your love, mercy, grace, and protection. In Jesus' Wonderful Name I pray all these things...Amen.
